MONTHLY NEWSLETTER / MOBILE APP / WEBSITE

Monthly Newsletter

Sent to **80,000** customers per month with a high open and engagement rate. Option for full feature or banner.

Mobile App

With over **2,000** downloads per week, put your brand offer or story on our homepage and watch the clicks soar.

Website

Highlight your business to **500,000** monthly website visitors. Option for an article or a banner on every webpage.

CAMPAIGN REPORTING

See real time results from start to finish on the metrics that matter most to you. We include this as standard in all of our packages.

REACH

We will show you exactly how many times your ad was seen by your customers.

CLICKS

Know how interested customers are in your brand deal and use it to tweak headlines and graphics to maximise your ROI.

CONVERSION

Using QR codes, unique links and calls to action, you can track conversions and sales from the ads we show.
