

Exempt permit application **update**

Terms and conditions of use – TT2 Disability Exemption Permit/Account

The sole purpose of funding this concession is the loss paid by other motorists. In these circumstances, TT2 (Tyne Tunnels) can only agree such limited concessions as do not unduly raise costs for other toll paying motorists. It is particularly emphasised that the conditions of use ARE NOT aligned with DVLA pamphlet No. V188.

Rules

1. TT2 expects exempt pass holders to inform them in writing immediately if any of their particulars change or if they are no longer entitled to toll-free passage.
2. Generally a TT2 Exemption Permit is valid for 12 months from the date of issue, however where your entitlement to either nil road tax or a Blue Badge (whichever is the basis of your application) lapses within that 12 months, your TT2 Exemption Permit will cease to be valid.

(Vehicles which do not pay road fund licence for zero emissions do not qualify for exemption from toll).
3. Unauthorised use of the TT2 Exemption Permit may result in:-
 - Immediate and permanent withdrawal of this concession from the person concerned.
 - The full toll in cash, cheque, credit or debit card being demanded.
 - Prosecution for contravention of Bylaws and or, for attempted fraud.
 - A surcharge being laid on the holder for recovery of lost toll revenue and administrative costs incurred.

I hereby declare that the information provided on this request is true to the best of my knowledge and my signature below confirms my understanding and acceptance of the above terms and conditions.
